Re: CES Environmental Services, Inc. - Houston Superfund Site, General Notice Letter: Request for Extension to Submit Good Faith Offer.

Dear Mr. Rankin:

On August 25, 2015, the U.S. Environmental Protection Agency (EPA) received your request on behalf of Creekside Management, Inc. for an extension of time to submit a Good Faith Offer (GFO) in response to the General Notice Letter (GNL) issued July 2, 2015, to Creekside Management, Inc., General Partner for Advanced Aromatics, L.P. (Respondents) for the CES Environmental Services, Inc. - Houston Superfund Site. The GNL was delivered to Respondents on July 8, 2015. Therefore, Respondents' due date for their GFO is currently September 6, 2015.

Based on the EPA's review of your request, we are granting a one-time 30-day extension of time for Respondents to submit their GFO to the EPA. Therefore, October 5, 2015, is Respondents' new due date for their GFO to the EPA. Should you have any questions, please contact Ms. Amy Salinas, Assistant Regional Counsel, at (214) 665-8063 or [ww.salinas.amy@epa.gov](mailto:ww.salinas.amy@epa.gov). Thank you for your attention to this matter.

Sincerely,

Carl E. Edlund, P.E.  
Director  
Superfund Division
